

IN THE SPECIFICATION:

1. On Page 1, line 3, directly after the title, please **AMEND** the (previously added) paragraph as follows:

5 The present application is a continuation of U.S. patent application No. 09/231,471, filed on January 14, 1999, entitled "High-Speed Modem with Uplink Remote Echo Canceller", now US Patent 6,597,732. Patent application No. 09/231,471 is incorporated herein by reference.
